Community Energy Services is a unique residential energy program available to only select Minneapolis Neighborhoods. At our FREE energy workshops Bryn Mawr homeowners will be able to sign up for customized home visit, where two energy experts will spend an hour and half with the homeowner in their home. During this time they will perform a blower door test and install materials which may include: compact fluorescent light bulbs, low flow showerheads, faucet aerators, pipe wrap, a programmable thermostat and more! Worth up to \$400 in services and materials for a co-pay of only \$30, however the Bryn Mawr Neighborhood Association will pay for the co-pay for the first 100 homeowners who sign up, giving you a \$400 value for FREE! Information about specialized financing, incentives and rebates will also be made available to participants. Childcare provided at both workshops.
