BMNA Annual Meeting & Board Elections

Another Bryn Mawr Neighborhood Association annual meeting was held on May 11th. It was time to celebrate. There was a delicious potluck dinner with the entrée provided by the BMNA Board and a lot of friendly conversations. Part of the agenda of this required meeting is to hold election of Board members. In even number years, this means that we elect a new President, Secretary, and even-numbered area representatives.

We want to acknowledge Kevin Thompson's role as Vice President for three years and as President for 12 years, in two different terms, an unprecedented amount of service in an officer role. Kevin has provided leadership as President while the neighborhood has gone through significant challenges. Under his leadership, we managed to continue to function as an association through the pandemic. The Board met virtually and held annual events in a responsible way. Kevin worked to represent the neighborhood as the lightrail line was identified and construction started. He led the neighborhood in the response to the George Floyd killing with the creation of a racial justice committee and the support of meetings to address the uptick in crime that happened in Bryn Mawr. He has seen the proposal and beginning of development of 2800 Wayzata Boulevard and overseen a association budget of almost \$100,000 a year. He's written countless letters as the official spokesperson for the BMNA communicating neighborhood positions to the City Council, Park Board and other government representatives. He's run our monthly meetings and serves on several of the neighborhood committees. And, mostly, sees to it that we complete our meetings by the time we need to be out of Anwatin. It has been his responsibility to sign any documents pertaining to the association. All of this he has done in a calm and supportive manner. He has been a voice of reason when some of those around him were not necessarily reasonable.

All BMNA Board members are volunteers, and we are very grateful for all the time they have contributed. The BMNA has had 19 Presidents since Ken Hollenbeck was first elected in 1974. There have been 178 neighbors that have served as Area Reps and 128 that have served as officers and supporting contractors. I joined the Board in 1992 and have served under nine of those Presidents. I am always pleasantly surprised that someone steps up when the current President steps down. While the work is not overwhelming, it does require time and a lot of patience and understanding. I highly recommend joining the Board as an Area Rep. You join a group that is dedicated to making Bryn Mawr the best and most welcoming neighborhood it can be. It's possible to take on the Rep role and not have a lot of time commitment. If you only attend Board monthly meetings and keep up with materials, it is under five hours a month. You can volunteer many more hours by being a part of or leading a committee, helping with the nine events that we support throughout the year and by working in the many gardens of Bryn Mawr. Contact any Rep for more information. We would love to have you join in the fun.

At the May 11th meeting, we elected Kate Knuth as the new BMNA President, Lindsey Lyrenmann, Haven Stephens and Drew Quirk as new Area 6 Representatives. We re-elected Jessica Wiley as Secretary and Susan Verrett and Karen Frederickson as Area 2 Reps.

Kevin Thompson, Joanne Michalec, Chris Etz, Jay Peterson and Barry Schade were named as Emeritus Members. The Emeritus Member role was created a couple of years ago to recognize people that had served multiple terms as Board members and had contributed to the neighborhood. Part of the purpose of this role was to make Area Rep positions (which according to our by-laws are limited to three per Area) available to

new neighbors that would like to serve. We have multiple Area Rep positions open for Area 4. We also thank Rod Miller for his service to the neighborhood as he steps down from the Board. We appreciate the work he has done and his willingness to represent the neighborhood in discussion with the 2800 Wayzata Boulevard development.

Call to Order at 6:40 PM by Vice President Brian Treece.
State of the Neighborhood Remarks
Brian welcomed all to our first in-person Annual meeting in two years. During Covid, the BMNA was able to hold our monthly meetings online, maintain events, and continue the work of our ten committees including parks, schools, racial justice, safety and traffic, and gardens. Responded to a number of crises this year, partnered with various agencies to:
• hold a crime meeting with Hennepin County Attorneys
• schedule monthly crime meetings with our community safe officer and MPD
• sponsor Block Club training with MPD
Other accomplishments included our involvement with the development of 2800 Wayzata, re-planting of the iconic Bryn Mawr Hedge and the completion of two community projects; wrapped a utility box and added additional doggie waste stations.
Roberta Jordan, BMNA Treasurer, gave an overview of our finances. We are in the black! As of April 30, we have income of \$25,304 and expenditures of \$18,411. A complete overview of the budget can be accessed on our website.
Jessica Wiley, Secretary, reviewed the six events we held in 2021 including, Winter Fest, the ice cream stroll, a September garage sale, member night, Sip and Stroll, and Saturnalia. A huge thank you to McKenzie Erickson for serving as Event Coordinator for the past 2 ½ years. We wish her well at her new job. The Event Coordinator position is open and advertised in the Bugle. Apply by May 31 to vicepresident@BMNA.org.
Lynda Shaheen, Membership and Development Coordinator, shared the successes during the year with membership drives, generous donations from community members, and fundraising through Winter Fest and the sales of spirit wear.

Bugle Notes

Area 7 Passing

Lois Brama,AKA “Grandma Lois” was known to all the kids on Washburn Avenue. She was “The Queen of Washburn Avenue” to the rest of us, who were fortunate enough to be her friends and neighbors. Lois passed away on April 22nd. She was 96 years old, soon to have been 97, in July.A treasure to us all and so greatly missed.At her service, John Welton, who was her primary caregiver over the past couple years, so aptly said, “She was a best friend. She wanted to have you over to her home, hear what you had to say, because she truly loved being with you. She made you want to be a better person.”

She lived on Washburn Ave N since 1954 with her husband Nick Brama, who passed away 6 years ago.They raised their children, Laurie and Gary, who went to Bryn Mawr school. She truly loved living in Bryn Mawr! Walking and biking around, when she was a bit more spry, and always socializing with anyone who was fortunate enough to encounter her. In her later years, she greatly enjoyed sitting on her front patio, taking in all the activi-

ty of our street- watching the kids play and socializing with all her neighbors. Her cookies and Chex Mix were coveted treats. She often baked a batch of cookies to send to a new or old neighbor, or if you were going on a trip, or a college kid, who greatly appreciated her love. Because Lois was all about love, connections, and cherishing relationships, she was a perfect example to all ages on this block, and made this neighborhood exactly what was appreciated when she left this earth. May she rest in peace.

We Loving Volunteering with Literacy Minnesota Near Us

After a day of work or between jobs during the day these Adults come in motivated to learn to write, read, and speak in English. They are our neighbors, born in non-English-speaking countries, and they have found their way to our nearby Literacy Minnesota center, Open Door Northside in Redeemer Lutheran Church 1800 Glenwood Ave. Three of us from Bryn Mawr have been enjoying teaching with these inspiring folks. We each cover a two-hour class once each week, in beginning or intermediate level – something we can easily do!

Literacy Minnesota has devised curricula that not only challenge learners through a variety of modes – listening, conversing, analyzing – with practical and relevant topics, but the lessons are easy for us as teachers to lead. Our lessons are flexibly paced and come with presentation hints. Grammar is not the highlight; the lessons stick with students because topics are what new Minnesotans need to know. For example, topics have covered what to do at a doctor’s appointment or parent-teacher conference, and how to handle stress or find advanced learning opportunities. Our training by Literacy Minnesota was concise, intelligent, and to-the-point. Teaching has been fun. Really, all we’ve had to provide were our encouraging smiles and our senses of humor.

What do volunteers get from teaching ESL? Well, we get the pleasure of meeting and becoming friends with these brave and inspired learners, we learn a lot about other cultures, and we sleep well knowing we are positively affecting our immediate community.

Literacy Minnesota does need more volunteers, so if you have an open

heart and are willing to give volunteer teaching a try, contact either of the coordinators at Open Door Northside. For day classes reach Lloyd Brown at LBrown@literacymn.org

For evening classes reach Michelle Vidovic at MVIDovic@literacymn.org

Garage Sale 2022

It was so nice to have the Festival of Garage Sales return to May in its full glory! The weather was perfect which is lucky considering the spring we have been having. We had over a 100 registered sales and the streets were packed with shoppers. Orange Tweet was our food truck this year providing corn dogs and other goodies. Bryn Mawr Pizza was cranking out slices and Cuppa Java had a line out the door. Cockadoodledoo Gifts had it's usual large sidewalk sale with so many big furniture items. Our newest business Greenhouse Salon had a sidewalk sale with lots of plants and other vintage finds. 612 Redo took over at Nativ3 with their rehabbed furniture collection. Bob and Lynn Dixon were harmonizing on the fiddle and guitar in the front yard. The BMNA was selling lots of cool swag in Dr. Jay's parking lot including a new Garage Sale T and vintage coffee mugs discovered in the storage at the Bryn Mawr Market. Round the corner, Partners (in)fertility had a sale with the lure of a rare second hand Big Green Egg for sale. Everyone was so happy to be out and about again-you could feel the energy and excitement. At the end of the day tired shoppers shuffled home and tired sellers put their items out at the curb to be hauled away or picked up by the Epilepsy Foundation truck. Rest up for next May everyone! We will do it all over again!

When You Vote in the Primary on August 9, Stay in Your Lane!

The Primary Election on August 9 will determine the candi-dates for the General Election. The top vote-getter in each Primary race will appear on the ballot in November. In Minnesota, any regis-tered voter can participate in the Pri-mary, but there’s a catch. You must stay in your lane.

In some states, voters must “declare” their party affiliation in order to receive the corresponding Primary ballot. But, in Minnesota, vot-ers are not required to declare their party. Instead, candidates for all major parties appear on every ballot. But note: If you cross political party lines by voting, for example, for a Democ-rat in one race and a Republican in another, your ballot is “spoiled” and will not be counted!

Candidates in the same party will be listed in the same column, so stay in your lane as you vote down the ballot. You don’t have to vote in every race, but you may not cross columns on the ballot.

Some candidates will be designat-ed as “endorsed” by their party. Endorsement is a stamp of approval or sign of preference from the party’s delegates who were selected at precinct caucuses (back in February – remember those?)

But, there’s more. Nonpartisan offices like School Board, County Attorney and Sheriff will be listed on

the back of the ballot. In these races, the two top vote-getters move on to the General Election.

Preregistration for the Primary ends JULY 19. However, you can also register at an early-voting site or on election day at your polling place. Early voting begins on JUNE 24 and continues through AUGUST 8. Or you can submit your ballot by mail.

Your vote is powerful, especially in the Primary Election, because com-pared to the General Election, many fewer people turn out for the Pri-mary. Be sure you’re someone who does.

To request an absentee ballot, reg-ister to vote or for more information, visit vote411.org.

Sharing the same system with HOUR-CAR, members will have access to both one-way Evie Carshare and hub-based HOURCAR services. Southwest LRT Updates

The long-term closure of Cedar Lake Parkway is scheduled to last until spring 2023. Lane clo-sures are expected on the eastbound lane of Wayzata Boulevard starting late May and lasting through the con-struction season. Equipment will be staged to continue retaining wall work at the Bryn Mawr Station area. Construction at and around Bryn Mawr Station continues through

2022 for the pedestrian bridge and work on the station platform. Retain-ing wall work on the bluff south of Wayzata Boulevard and Penn Avenue continues. The truss bridge structure that will provide pedestrian access from Penn Avenue over freight and LRT tracks to the Bryn Mawr Station in Minneapolis is currently under construction.

Tips for Sustainable Lawn Care this Summer from Twin City Seed Company:

- Raise your mowing blade. You can do this year round for reduced mowing. Letting your lawn grow out to 6" and cutting it down to 4" is great for your lawn and sustainability.

Use low input turf species. Species like fine fescues and tall fescues can reduce carbon costs associated with maintenance to one third of that of a traditional home lawn.
- Only water when needed. Most lawns only need 1" of water per week. This includes rainfall. If we receive rain in a given week, consider turning off your irrigation system. Low input species can be watered even less frequently.

Consider planting a bee lawn. Bee lawns incorporate low growing flowers into low input turf to create sustainable lawns that can feed our pollinators

A reminder that in addition to being delivered to your doorstep, the Bryn Mawr Bugle is available online at bmna.org. Click on the Bugle logo on the home page to read the current edition or go under the 'Bugle' tab to see past editions and to learn more about advertising rates and submission deadlines.

The Bryn Mawr Bugle is an open-forum newspaper published by the Bryn Mawr Neighborhood Association. Content is based entirely on volunteer submissions which may be emailed to bugle@bmna.org. Articles will be printed at the discretion of the Editor. The Bryn Mawr Bugle is published every month except January. Distribution is free to Bryn Mawr residents; copies are also available at the Bryn Mawr Market, Bryn Mawr Mobil and Cuppa Java. Opinion articles represent the opinion of the writer, not necessarily those of the Bryn Mawr Neighborhood Association or the Editor of the Bugle. The Bryn Mawr Bugle prints letters to the editor as space allows. Letters may be edited for length without altering the letter writer's message. Letters must be signed by the person who wrote them. Under the law, letter writers, like journalists, may not commit libel, be obscene, reveal names of juveniles accused of crime, invade personal space, or incite to riot.

Copy deadline for the July issue is June 20!

Display & Classified Ads are due June 20th. Ads must be pre-paid & camera ready.

Call Deryck Jolstad at (612) 377-8968 or djolstad@msn.com for rates.

GENERAL ADVERTISING POLICIES: All ad copy is subject to approval by the paper, which reserves the right to reject or request changes to an ad. Ad placement does not imply endorsement by the BMNA. The advertiser, not the paper, is responsible for the truthful content of the ad. Readers use service/product providers at their own risk and are solely responsible for checking references, state agencies, BBB, etc.
